# FEATURES

## Hardshell design

Solid Gray offers the perfect protection during your daily travels. The innovative folding design makes for a strong and lightweight hard shell backpack.

## Clever compartments

Easy access to small items and phone, safely stored in the backpack's two clever compartments. Plus, enjoy maximum storage capability for all your belongings.

## Laptop and tablet

Protect your valuables against scratches and shocks. Solid Gray is lined with durable EPDM foam and features straps for your laptop/tablet.

# FEATURES

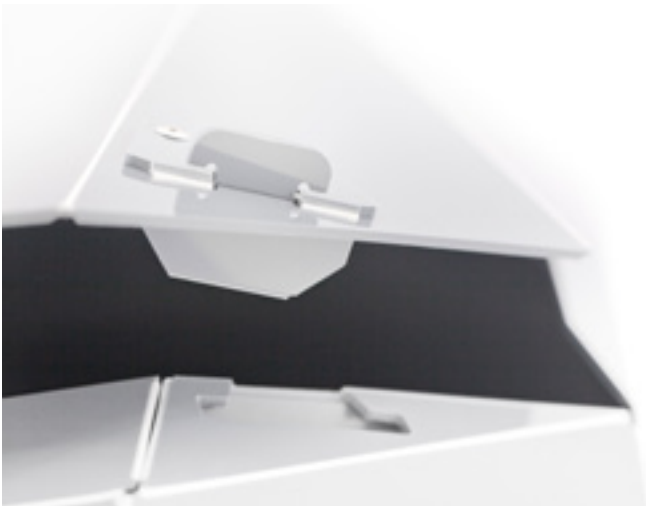

## Switch System shoulder straps

With our unique Switch System you can wash or swap the shoulder straps. Simply and securely attach and release the straps with a single click.

## Switch System shoulder straps

Define your style, and combine Solid Gray with your favourite colour straps. Or take different pairs; switch them to match your mood and outfit at any time.

## Smart snaps

Solid Gray's smart locks secure your possessions with an audible 'snap'. The Solid Gray snaps are made from the same strong polypropylene as the rest of the backpack.

# FEATURES

## Hidden handle

The easy to grab handle automatically retracts itself when it is not needed. Made from hardwearing POM plastic, it is built to last like the rest of the pack.

## Multi clip

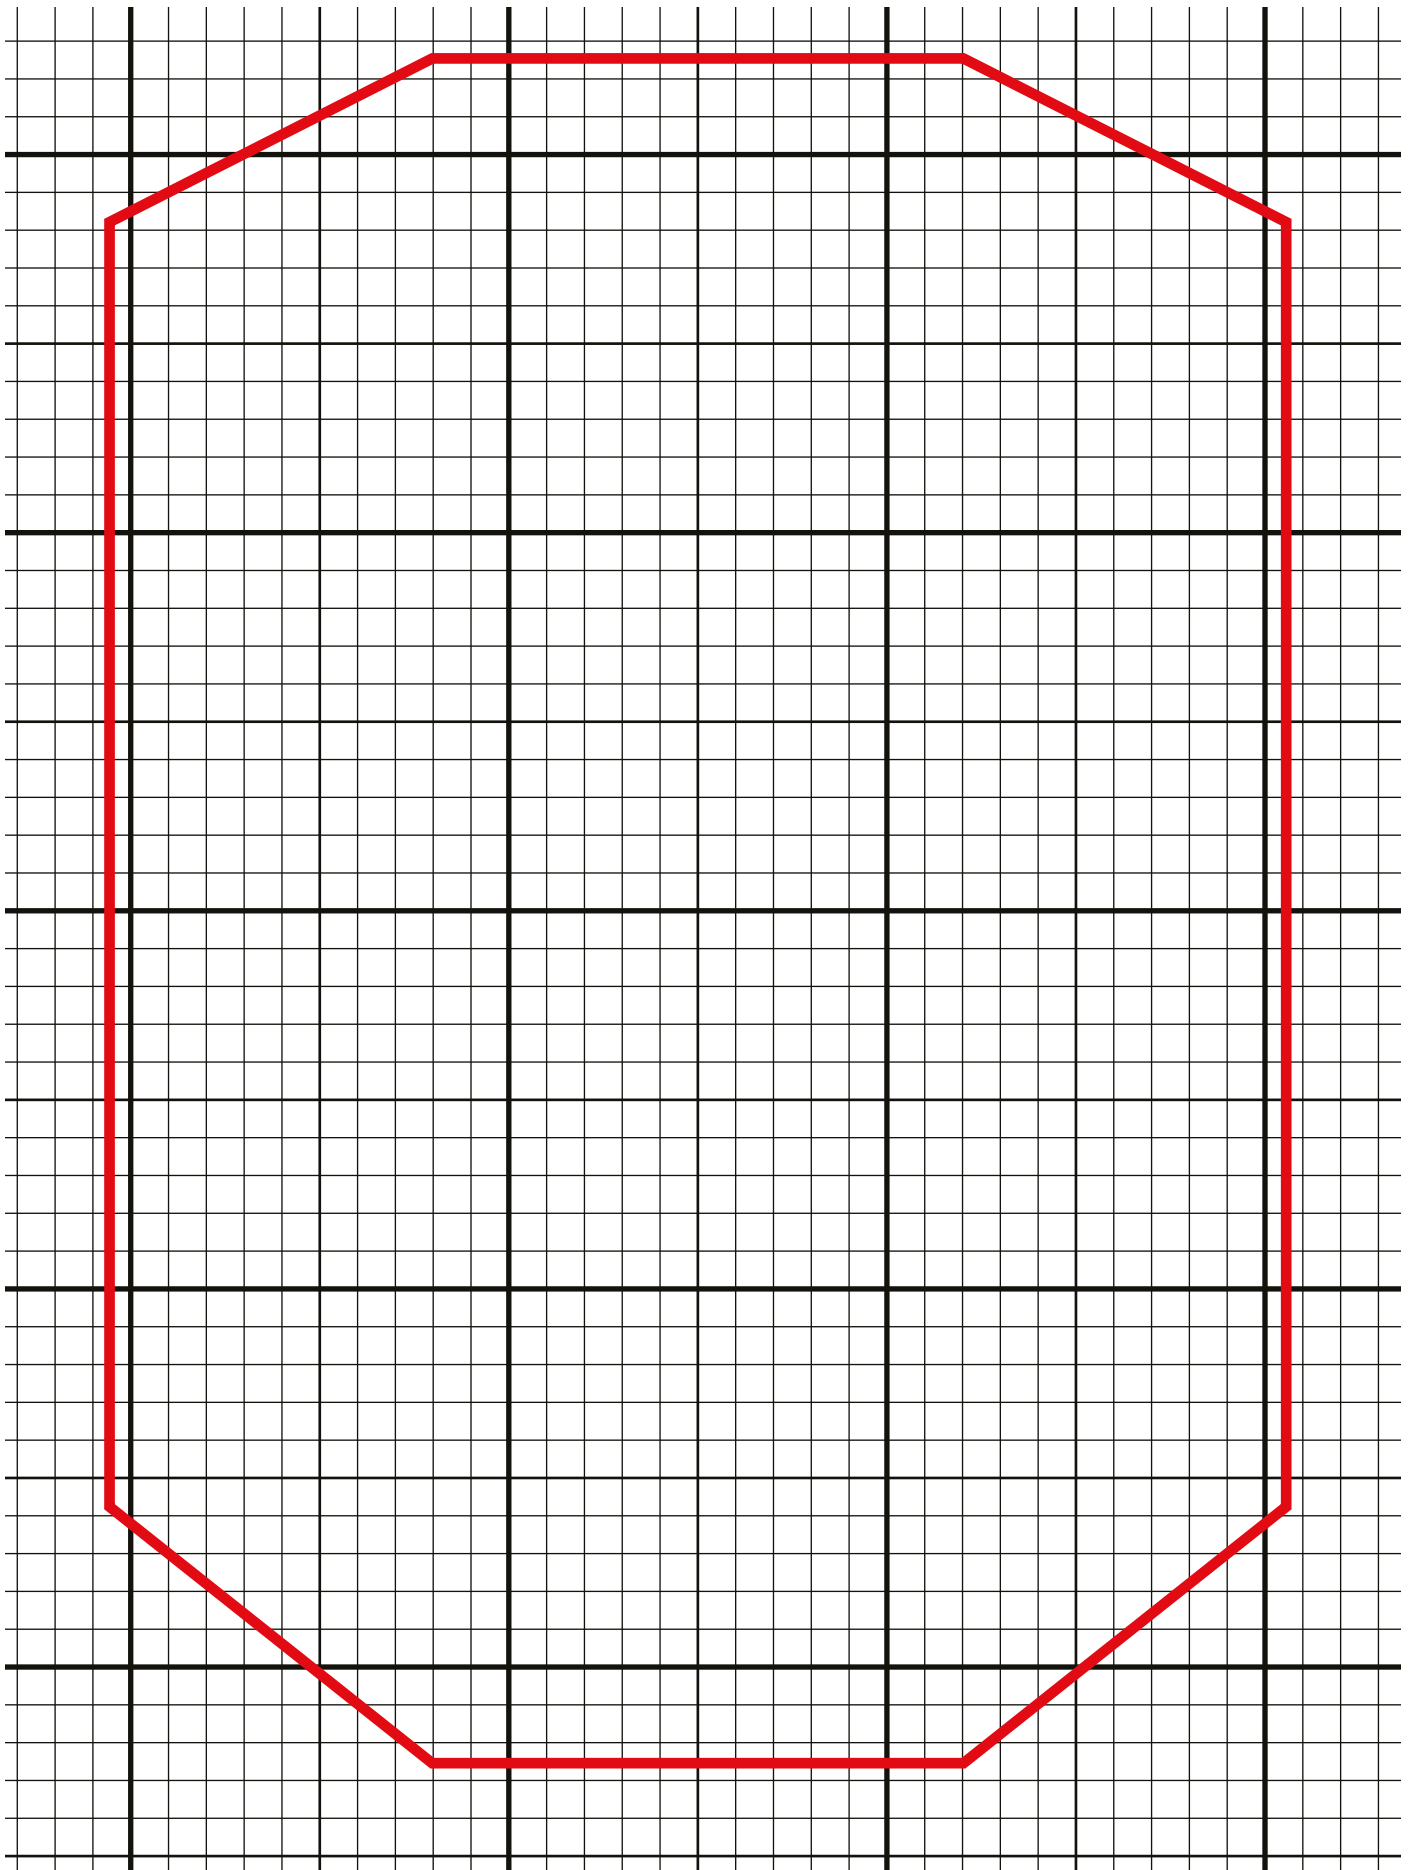

Keep your papers and documents within reach under this clip. The conveniently placed multi clip is padded with foam for holding multiple items simultaneously.

## Serial number

Each backpack is fitted with its own unique serial number. A proof of quality that also ensures you the originality of the product.

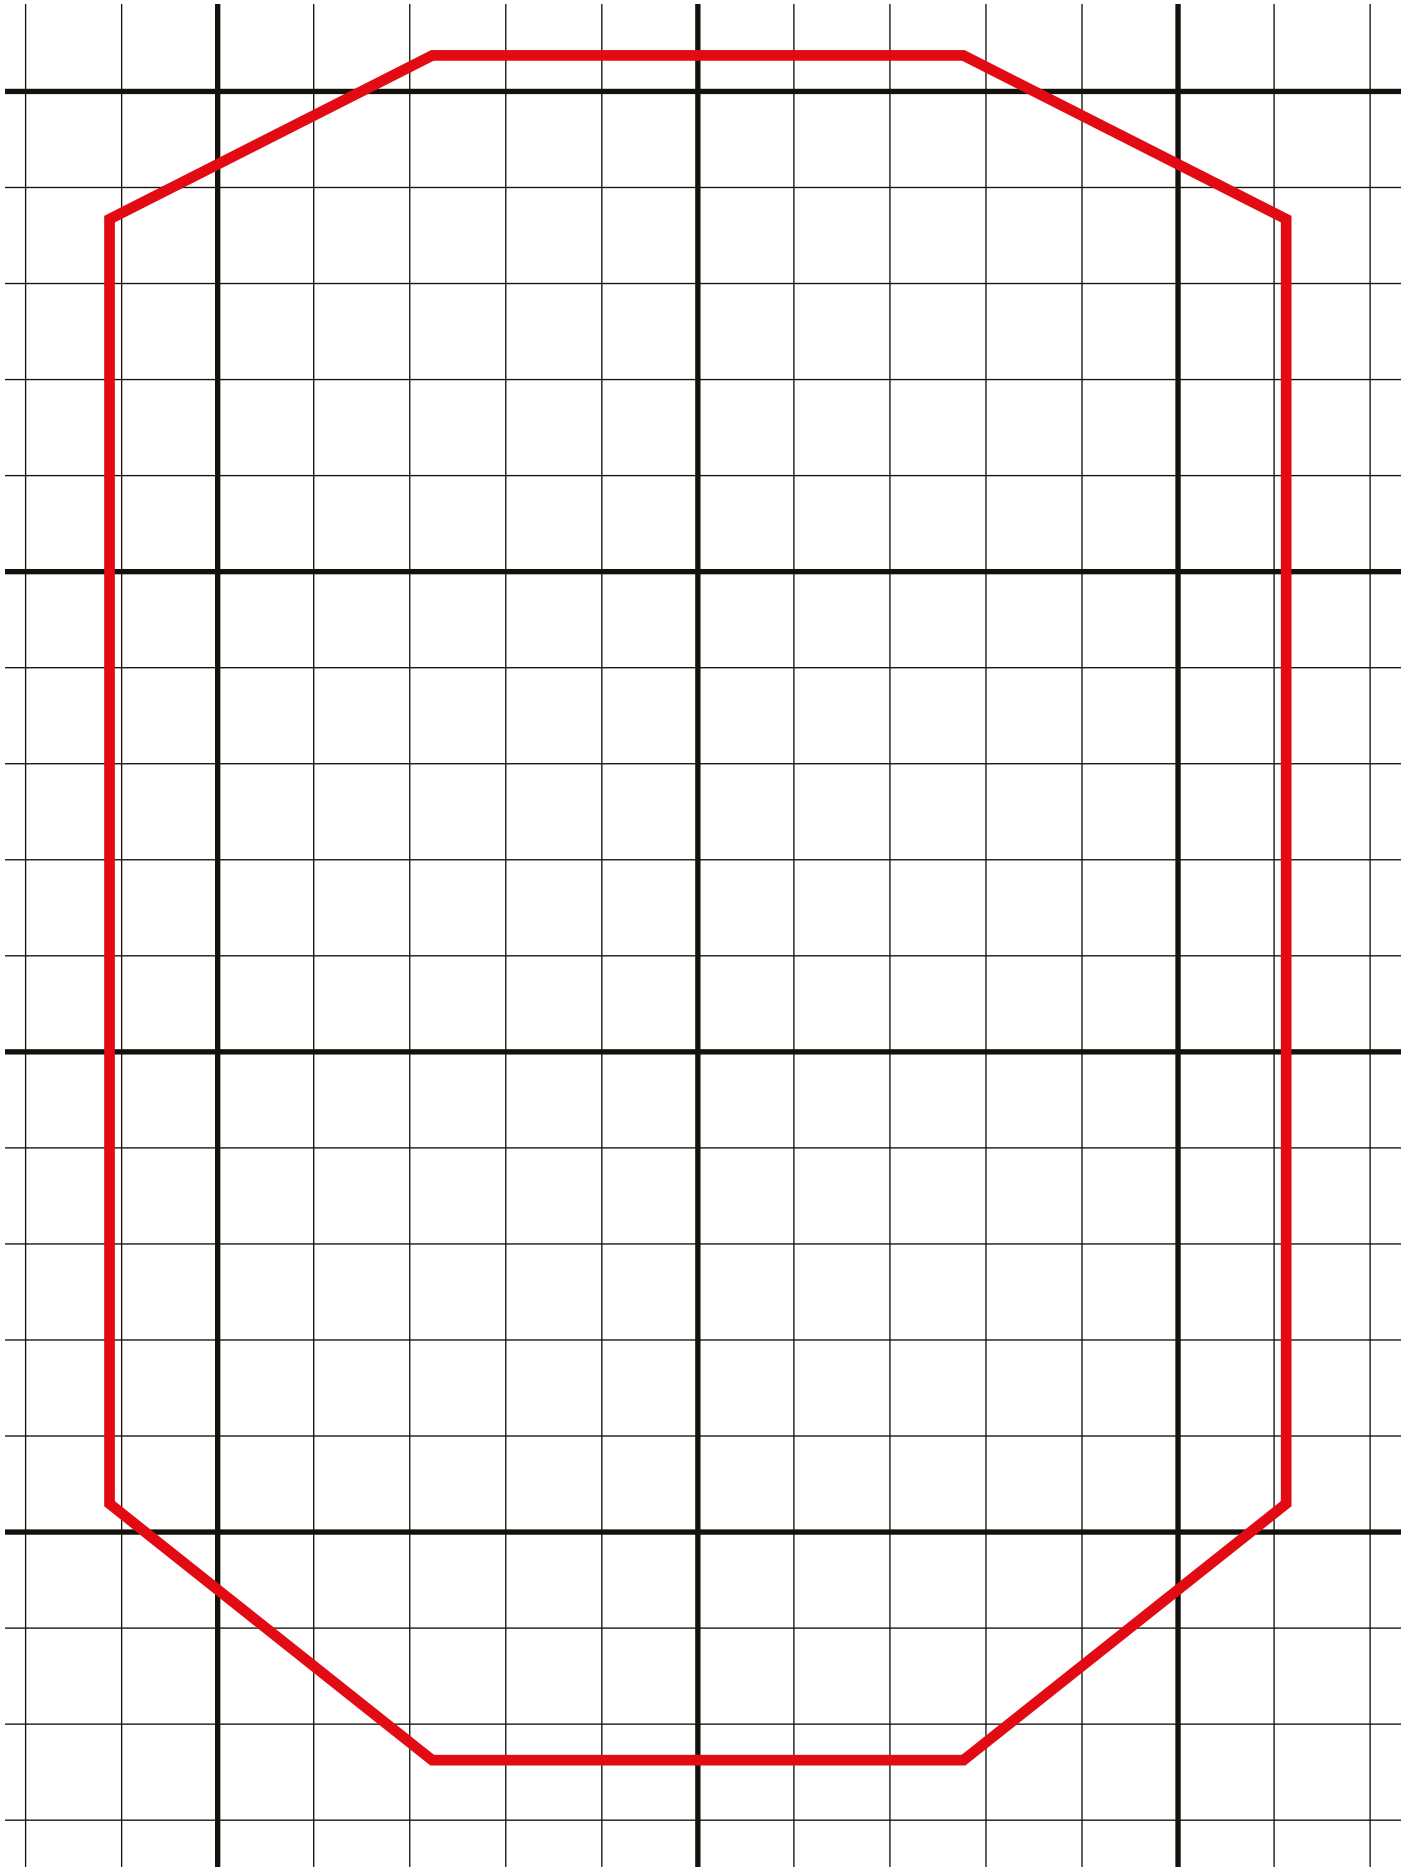

You can use this metric grid to draw your laptop (or other hardware) in a 1:2 scale to see if it fits inside the backpack. Each square represents 1x1cm.
