CUSTOMIZATION

SAFETY

SOLID GRAY Adaptable Organizer (“SG-Organizer” for short), is only for use in a SOLID GRAY backpack (“SG-Backpack” for short), in order to secure loose items inside SG-Backpack. It should not be used for any other purpose. SG-Organizer is not safe to be used by children under 12 years old. Do not let children under 12 unattended with your SG-Organizer.

SOLID GRAY does not take responsibility for personal harm nor for damage to material property inflicted by SG-Organizer. This includes, but is not limited to: damage inflicted on items including items and devices stored inside a SG-Backpack or SG-Organizer, personal harm to the user and personal harm to other persons. SG-Organizer may scratch the surface of items or devices placed inside it. It is the users responsibility to asses whether SG-Organizer or SG-Backpack is suited to hold any items or devices before inserting those items or devices. Any responsibility of SOLID GRAY can never exceed the purchase price of the affected product.

USAGE

When installing SG-Organizer, please make sure it is firmly attached in your SG-Backpack using the velcro straps and corresponding slots in the SG-Organizer. Regardless of whether you are using the default setup or a customised setup, always make sure that all straps, cords, sliders and buckles are securely fastened before use and that any items and devices inside the SG-Backpack or SG-Organizer are sufficiently secured.

MAINTENANCE

Like all polymer materials, polypropene will deteriorate faster under the influence of sunlight and other sources of UV radiation. Do not expose SG-Organizer to heat or open fire, nor to sunlight, moisture, humidity or sub-zero temperatures for prolonged periods of time. Keep your SG-Organizer clean using a mild detergent and non-abrasive pad or cloth.

MATERIALS

Body material: Polymer Plastic
Elastic cord: Natural Latex, Polyester Coating
Sliders, buckle: PA
Webbing: PP
